

IN CASE OF FIRE

In the event of fire it is important that you act
FAST, CORRECT AND CALM

If the fire alarm is set off

- ☐ Identify where the alarm is set off – see in the text display in the fire central.
- ☐ Investigate whether there actually is a fire.
- ☐ Let the alarm bells ring till you are certain what the situation is.

In case of fire

- ☐ Start evacuation of the premises.
- ☐ Put the fire out if possible.
- ☐ Call the Fire Dept. on telephone 110 – give a brief report on the situation.
- ☐ Leave the alarm bells on.
- ☐ Receive the Fire Dept. and report.

In case of false alarm

- ☐ Call the Fire Dept. on telephone 110 – report on reason for false alarm.
- ☐ Stop the alarm bells and reset the fire central.
- ☐ Take appropriate measures to avoid further false alarms.

On duty fire officer - telephone: 91109700
